## T-Mobile Stores

OEM project

More than 45 km of liniLED® Top RGB Deco LED strip was programmed with the well-known corporate identity colour of T-Mobile. To illuminate a total of 1100 stores, a special liniLED® T-Connector and liniLED® Colour Controller were developed.

## Imtech Traffic & Infra

OEM project

To provide 'active' roadside markers, a new type of roadside marker was created: by developing innovative LED modules the roadside markers are able to emit constant light, even during mist.
