**NEW!** Mini ALPHA Round – ID

**NEWLY  
Added!**

Medium ALPHA Round – ID

**ALPHA** is a family of outdoor spot lights / flood lights engineered from scratch. The primary shapes and overall small dimensions makes it possible to install ALPHA in most professional and residential lighting applications. High quality polycarbonate optics provide accurate beam control and offer a wide selection of light distributions. ALPHA can be customized with accessories such as honeycombs, shields and various mounting solutions for poles and surfaces. The minimized amount of needed tools and usage of quick connectors simplifies the installation.

INPUT OPTION

### Specification

- Designed, Manufactured and tested according to IEC 60598.
- LM6 Die Cast Aluminium body.
- Stainless steel screws.
- Nano Ceramic surface conversion.
- Double layer coating.
- Safety glass cover.
- Post-cured silicone gasket.
- High quality LED module.
- Available with integrated driver or remote driver.
- Weather proof TPE grommet.
- Installation must be carried out according to the enclosed product manual.

### Available Color

Black	(replace the last 2 digits of ordering code with 01)
Graphite	(replace the last 2 digits of ordering code with 02)
Dark Grey	(replace the last 2 digits of ordering code with 03)
Aluminium Silver	(replace the last 2 digits of ordering code with 04)
White	(replace the last 2 digits of ordering code with 06)
Wooden Brown	(replace the last 2 digits of ordering code with 07)
