Unilamp

The **CASA** luminaire range is the perfect lighting tool for residential lighting tasks. Although small in size the lighting performance satisfies professional standards. **CASA** is available as single or double directional wall light, surface mounted downlight and bollard. Computer optimized reflectors and diffuser generate light with remarkable brilliance and color consistency. Excellent corrosion resistance is archived through the use of high quality extruded aluminum and enhanced LM6 die cast alloy. **CASA** is suitable for environments up to 50°C.
